

# >> Round 4 <<

## Making Round

Depending on your circumstances, here are a few options for activities or arts and crafts tasks that you can have teams complete while you all take a well earned 20 minute fag/drink/piss break.

1/ To help spare his blushes in future, please make Michael Gove a special dust jacket that he can use to disguise the more controversial books in his library.

2/ Using paper, pencils and pens – and whatever else you see fit – design a suitable baby mobile that can hang above X Æ A-12's crib in Elon Musk and Grimes' house.

3/ With costume, make-up or whatever arts and crafts items you have laying around the house, dress one of your hands or feet to look like a well-known celebrity.
