## Making Round

Depending on your circumstances, here are a few options for activities or arts and crafts tasks that you can have teams complete while you all take a well earned 20 minute fag/drink/piss break.

1/ Using paper, pencils and pens – and whatever else you see fit – design a suitable baby mobile that can hang above the new Johnson child's crib.

2/ Grab a pair of socks from your drawer and, using whatever other craft materials you have to hand, fashion them into a pair of puppets to re-enact a famous double act/duo.

3/ Create a Get Well Soon card for Kim Jong Un.
