

>> Round 3 <<

Caught Out Celebrities

For this round, teams should have an answer sheet with ten celebrity names on. The quizmaster will read out the following list of ten strange things that those celebrities have been caught doing. All the teams need to do is decide who did what.

Each celebrity matches with one incident. There are no trick questions and no repeats.

If teams want to make notes before committing their answers, that is fully encouraged. Just to try not to libel anyone too seriously.
